

Little Benny's Note Book

By Lee Tape

Ma was looking at the paper this afternoon and she said, "Heers ready for doughnuts, my goodness how your father used to love doughnuts." I've got a good mind to make him bathe this afternoon and send him home, he'll think now we made them and I wont tell him I havent made them for years and years, but theres an old saying, wat you have done once you can do again.

G ma, that's a great idea, pop will be glad all rite, I sed. Meening I would, and me went down in the kitchen and made the doughnuts and then put my Nora braw in the hole plate full for dinner, pop saying, Ah, doughnuts, Nora must of bin getting ambitious today.

And he took one and took a bite out of it saying, It dont taste like any doughnut I ever tasted.

Me thinking, G good nite. And I started to make all kinds of faces at pop so he would know ma made them, and all of a sudden I said, "I'm saying, I'm getting a tooth?"

No sir, I sed, and pop sed. Well then wats the idear of those terrible faces? and I sed. Was I making faces? and pop sed. Either that or Im getting the derelium trimmings. And he took another bite out of the doughnuts saying, This thing looks like a doughnut but that's as far as it goes in that direction. When I eat it I make more faces and he sed. Now that boyer has a tooth! or he's going dipper, and pop sed. I bleere he's just making faces to tell me I made those doughnuts, but its too late now anyway after the remarks you passed about them.

Yee gods, wat remarks? sed pop, and me sed. Ferst you sed they didnt taist like my doughnuts you ever taisted and then you sed all they did was look like doughnuts and pop sed. Certeny I made those remarks, naturally, and they dont taist like my doughnuts I ever taisted, they taist 1000 times hotter.
